

Important Announcements

J.M. Nester 2012-05-28

1. The final exam has been rescheduled to Wednesday 06/13 from 10:00 to 13:00. It will be based mainly on the material in Ch 1 to 6. The posted notes are your best reference.

2. Unless otherwise announced, we will not meet on Monday 06/11.

3. On Monday 06/04 the class will meet from 09:30 to 13:00. The agenda will be as follows:

(A) A brief introduction to some advanced topics covered in Electrodynamics II, mainly from Chapters 11,12,14 and 16. (Note: This material will not be covered on the exam.)

(B) A review of Chapter 1 to 6.
