

Course Schedule of MST Program ,TIGP

Semester: Fall, 2010(99 學年度上學期)

Course(科目) : Special topics on Molecular Science and Technology

分子科學與技術專題研究

Time(時間) : 16:20 , Tuesday

Room(教室): 311 IAMS 中研院原分所 R311(台大校園)

NTHU coordinator(清大教師): 倪其焜

MSTP coordinator(學程任課教師): Prof. Kuei-Hsien Chen (陳貴賢老師)

Course start(開始上課): 9/14/2010

Required Course(必修課), credit(學分): 3

Course no. (科號): TIGP720100

1.Course Statement:

- Required for all students
- For first year students
Research on current topics of Molecular Science and Technology, including laboratory rotations and faculty presentations in the first 2 semesters (2 - 4 labs each semester)
- For students after first year
Research on special topics of Molecular Science and Technology

Course(科目) : Seminar of Molecular Science and Technology

分子科學與技術書報討論

Time(時間) : 15:20 Tuesday , 15:00~17:00 Thursday

Room(教室): 311 IAMS 中研院原分所 R311(台大校園) (Tuesday),
Lecture Hall of IAMS (Thursday)

NTHU coordinator(清大教師): 倪其焜

MSTP coordinator(學程任課教師): Prof. Kuei-Hsien Chen (陳貴賢老師)

Course start(開始上課): 9/14/2010

Required Course(必修課), credit(學分): 1

Course no.(科號): TIGP726400

1. Course Statement:

- Seminar of the current topics on Molecular Science and Technology
- Attendance at ALL presentations in English is required for the first three years
- For first year students, write AT LEAST one in-depth report in research paper style

based on one of the weekly departmental lecture. Interview (for oral defense of this research) with Dr. Han will take place by appointment.

- For the 2nd year students, in addition to giving one lecture during the semester, write AT LEAST one in-depth report in research paper style based on one of the weekly departmental lecture. Interview (for oral defense of this research) with Dr. Han will take place by appointment. Abstracts and lists of references should be distributed to all students and coordinator AT LEAST 7 days before your presentation.
- For the 3rd year students, give one lecture in each semester. Abstracts and lists of references should be distributed to all students and coordinator AT LEAST 7 days before your presentation.
