

Course Schedule of MST Program ,TIGP

Semester: Spring, 2011(99 學年度下學期)

Course : Special topics on Molecular Science and Technology

分子科學與技術專題研究

Time : 16:20 , Tuesday

Room: 311 IAMS

Coordinator: Prof. Ta-Chau Chang (張大釗老師)

Course start: 2/22/2011 Tuesday

Required Course, credit: 3

Course no.: TIGP720300

1.Course Statement:

- Required for all students

- For first year students

Research on current topics of Molecular Science and Technology, including laboratory rotations and faculty presentations in the first 2 semesters (2 - 4 labs each semester)

(顏道弘, Venkatesh Tunuguntla 文塔拉, Chandra Prakash Epperla 艾培仁, Amsalu Efreem Yemene 安明尼, Indah Primadona 馬多娜)

- For students after first year

Research on special topics of Molecular Science and Technology

(李易儒, Vidya Sachin Shivatare 薇迪亞, 許智盛, 呂佑均, 張高逢, Rossatorn muangpaisal 羅莎, 楊朝巽, 許朝雄)

Course : Seminar of Molecular Science and Technology

分子科學與技術書報討論

Time : 15:20 Tuesday , 15:00~17:00 Thursday

Room: 311 IAMS(Tuesday), Lecture Hall of IAMS (Thursday)

Coordinator: Prof. Ta-Chau Chang (張大釗老師)

Course start: 2/22/2011 Tuesday

Required Course, credit: 1

Course no.: TIGP726300

1. Course Statement:

- Seminar of the current topics on Molecular Science and Technology

- Attendance at ALL presentations in English is required for the first three years

- For first year students, write AT LEAST one in-depth report in research paper style based on one of the weekly departmental lecture. Interview (for oral defense of this research) with Dr. Chang will take place by appointment.

(顏道弘, Venkatesh Tunuguntla 文塔拉, Chandra Prakash Epperla 艾培仁, Amsalu Efreem Yemene 安明尼, Indah Primadona 馬多娜)

- For the 2nd year students, in addition to giving one lecture during the semester, write AT LEAST one in-depth report in research paper style based on one of the weekly departmental lecture. Interview (for oral defense of this research) with Dr. Chang will take place by appointment. Abstracts and lists of references should be distributed to all students and coordinator AT LEAST 7 days before your presentation.

(李易儒, Vidya Sachin Shivatare 薇迪亞, 許智盛, 呂佑均)

- For the 3rd year students, give one lecture in each semester. Abstracts and lists of references should be distributed to all students and coordinator AT LEAST 7 days before your presentation.

(張高逢)
